why us?

time-tested experience

We don't just manage the logistics. We bring over two decades of experience, vetted vendors, and tried-and-true processes, ensuring a smooth and successful event.

personalized attention

We treat our clients' businesses like our own. Your goals become our goals, and we work as an extension of your team. We treat each project individually, designing bespoke, holistic solutions that work for you.

certifiably better

Our founder Lorraine Mariella, CSEP, CMP holds two of the most valued certifications in hospitality. Eventium is a member of IATA and is a certified women-owned business. Both Eventium and founder Lorraine Mariella have also been the recipient of dozens of industry awards.

our philosophy

We know that any year's business success is built on the success of the last, and we believe that your events should be, too.

Working together, we create outstanding events that build momentum from event to event, year to year.

how?

More than simply managing production and logistics, Eventium serves as a true partner for our clients, treating their business like it's our own.

We help navigate everything from pre-event decisions to analyzing learnings to apply the next year.
